Our Mission

The mission of Coastal Community Foundation is to enhance the quality of life in the San Diego North Coastal area by directing philanthropic efforts toward community needs.

Connecting Donors to Community Needs

Coastal Community Foundation (CCF) is a nonprofit corporation created in 1987 by residents of North Coastal San Diego County.

Behind each fund at the Foundation there is a story about individuals and families who are making a positive difference.

Starting a fund is easy. A donor advised fund is far less expensive to create and administer than a private family foundation. You can establish other types of funds that match your philanthropic interests.

You may establish a fund in your name, in the name of a loved one or be anonymous. You can give today or through planned giving strategies. We accept a wide variety of gifts: cash, stocks and property.

Philanthropy is important and through CCF, it's easy.
