## WHAT'S NEW • FALL 2016

### Solana Beach Fund Grants \$16,850

The Solana Beach Fund awarded five grants to nonprofits serving the community of Solana Beach. On September 27, the Solana Beach Grant Committee recognized the five organizations at a grant ceremony. Casa de Amistad received funds to collect data and measure the impact of its programs. The grant to Community Law Project of California Western School of Law increased its free Solana Beach legal clinic to twice per month in order to meet demand. North Coast Repertory Theatre used their award toward the summer production of Shakespeare's MacBeth at La Colonia Park. Reality Changers received funds to help Solana Beach high school students become first generation college students. San Elijo Lagoon Conservancy will use the funds to expand its volunteer program, Citizens Restoring Coastal Habitat, to restore areas of the Rios and Harbaugh trails.

The Solana Beach Fund was launched in 2013 to address local needs and to build philanthropy to benefit the community today and through Legacy gifts. Over the past three years, over \$47,000 has been granted for community projects and programs.

## New Funds

### Tom & Cathy Staver Foundation

Tom and Cathy Staver established their donor advised fund because of their love and care about animals. "We have seen too many animals that have been abandoned or neglected by humans. With our foundation, it is our desire to offer help to all animals who suffer needlessly. We feel every animal deserves to be loved and respected."

### Life Gave Us Lemons

In December 2015, life gave us lemons. Literally! Two hundred and fifteen lemon trees. We immediately realized that our lemon trees would produce way more lemons than our family could consume, a realization which caused all of us to reflect on this happy and fortunate time in our lives. In response, we founded *Life Gave Us Lemons*, our family's effort to share the bounty with others.

### Solana Beach Skatepark Fund

The Solana Beach Skatepark Fund was established by local residents to provide funding for a skatepark at La Colonia Park. The City of Solana Beach has allocated \$300,000 from surplus funds and additional money has been donated for the project. Approximately \$158,000 needs to be raised. The City hopes to break ground some time in 2017. *Contributions to the fund at CCF are tax-deductible.*

To donate online: [www.coastalfoundation.org](http://www.coastalfoundation.org). Please type skatepark in the purpose line. Checks should be made payable to Coastal Community Foundation; write Solana Beach Skatepark in the memo line and mail to CCF.
