

## EDUCATION PATHWAYS Grant Application Guidelines and Instructions 2017-18

### Grant Eligibility and Guidelines

- ◆ Career and Technical Education (CTE) teachers in middle or high schools from the San Dieguito Unified School District who teach in one of the Pathways programs are eligible to apply.
- ◆ Funding is provided for *creative* educational projects that stimulate learning and enhance the Pathways curriculum. Projects may provide real world applications and/or needed classroom materials. The grant range is \$500 - \$1,500.
- ◆ Please provide the project description and budget in the space provided.
- ◆ Grants will not be made for computers, iPads, furniture, or salaries.

### Application Instructions

Your application should include the following:

#### A. Application form

Please keep your application content to two pages. Applications that exceed two pages will not be considered.

#### B. Description of project and budget summary

- 1 Describe the creative project or activity and the subject area
- 2 Include any in-kind resources, volunteer time or matching funds
- 3 Funding must be for projects / activities during the 2017-18 academic year
- 4 Provide a budget summary or brief itemized budget below the narrative

The application can be downloaded from the Foundation's website at <http://www.coastalfoundation.org> Go to the main Grants tab to download the application form or the Education program page.

Your application must be emailed to the Foundation at [grants@coastalfoundation.org](mailto:grants@coastalfoundation.org).

- Submit one document only that includes the application identifying information, narrative and budget.
- **The document name should be the project name.**
- Teachers may only submit one application.

**The application deadline is September 22, 2017.** Applications received past the deadline will not be considered. *If you are awarded a grant, the check will be made payable to your school, school foundation, parent organization or district and designated for the specific classroom project.*
