

EdVentures 2018-19 Grant Application Guidelines and Instructions

Grant Eligibility and Guidelines

EdVentures is a grant program of the Coastal Community Foundation that supports hand-on, creative educational experiences for students in North Coastal San Diego County schools with an emphasis on STEAM (Science, Technology, Engineering, Art/Music and Math) curriculum.

The *EdVentures* grant program will provide funding to nonprofit organizations for STEAM programs that are held on-site at elementary and middle schools or for educational experiences/field trips provided by nonprofits. All programs must take place during school hours.

- ◆ Projects must serve **4th-8th grade students** in North Coastal San Diego County Public or Charter Schools in Del Mar, Solana Beach, Cardiff, Encinitas, Carlsbad, and Oceanside.
- ◆ Projects must align with school district curricular goals and standards.
- ◆ Nonprofits that provide educational programs in San Diego County may apply.
- ◆ Grant range is \$3,000 to \$10,000.
- ◆ Grant funding will not fund bus transportation for field trips or general operations.
- ◆ Funding is not available for after-school programs.

Application Instructions

Please keep your application content to four pages. Applications that exceed four pages will not be considered.

The application can be downloaded from the Foundation's website at <http://www.coastalfoundation.org> Go to the main Grants tab or the Education program page to download the application.

Your application must be emailed to the Foundation at grants@coastalfoundation.org.

- Submit the completed application, responding to all questions.
- You may also submit a letter of endorsement from a teacher, principal or district administrator.
- Only one application may be submitted per nonprofit.

The application deadline is September 12, 2018. Applications received past the deadline will not be considered. *If you are awarded a grant, the check will be made payable to your nonprofit and designated for the specific classroom project at selected schools or districts. Funding must be used for projects during the 2018-19 academic year. A report on the expenditure of funds will be required in spring 2019, including the list of schools and number of students served.*
