

## Legacy Society

*A bequest could be one of the most important charitable gifts you ever make. When you endow a fund at Coastal Community Foundation (CCF) your gift does good forever. A fund can have broad objectives to support the community or specifically help the arts, health, the environment, education and specific nonprofits.*

The **Legacy Society** at Coastal Community Foundation honors those who have chosen to make a planned gift to CCF through their estate plans. When you inform Coastal Community Foundation that you have left a planned gift to CCF to establish a fund or contribute to an existing endowment fund, you become a member of the Legacy Society.

Gifts may be designated for a specific organization, area of interest or for the general charitable benefit of the community. You may honor the name of your family or chose to be anonymous. There is no minimum amount required for a legacy gift.

As a member of the Legacy Society, you join others who want to give back to the community for years to come.
