

*A giving circle of Coastal Community Foundation*

**Mission**

*The mission of the Encinitas Fund is to address local needs and to encourage philanthropy today for the benefit of Encinitas and all of its communities.*

**Pooled Philanthropy**

Through this community fund a person, family or business can make one donation, and through pooled philanthropy, make a broader impact in Encinitas through grants to numerous nonprofits and community projects. You'll come together and collectively decide how to grant the money. The Encinitas Fund was established in summer of 2018 as part of Coastal Community Foundation. *The mission of Coastal Community Foundation is to enhance the quality of life in the San Diego North Coastal area by directing philanthropic efforts toward community needs.*

A grant committee of Encinitas residents who have made a donation to the Encinitas Fund and Foundation staff provide oversight to ensure that grants from the Fund are distributed for charitable purposes in the community and administered in accordance with established standards and best practices.

Encinitas Fund donors will be listed on the Foundation's website & Facebook page.
