## Our Mission

The mission of Coastal Community Foundation is to enhance the quality of life in the San Diego North Coastal area by directing philanthropic efforts toward community needs.

## Connecting Donors to Community Needs

Coastal Community Foundation (CCF) fulfills its mission by:

- Helping individuals and families with their charitable goals today and in the future
- Making grants to support nonprofits, education and community needs
- Providing technical assistance to nonprofit organizations

Behind each fund at CCF there is a story about people who are making a positive difference.

Starting your own donor advised fund is far less expensive than a private family foundation. You receive an immediate tax deduction when you donate cash, stock or other assets. The minimum for a donor advised fund is \$5,000.

You can establish a fund in your name, the name of a loved one or be anonymous.

*Philanthropy is important and through CCF it's easy!*
