Our Mission

The mission of Coastal Community Foundation is to enhance the quality of life in San Diego North County by directing philanthropic efforts toward community needs.

Connecting Donors to Community Needs

Coastal Community Foundation (CCF) fulfills its mission by:

- Helping individuals and families with their charitable goals today and in the future
- Making grants to support nonprofits, education and community needs
- Helping to strengthen the nonprofit sector by providing support services
- Promoting philanthropy in the community

ProduceGood – providing fresh produce to those in need

Behind each fund at CCF there is a story about people who are making a positive difference. Starting your own donor advised fund is far less expensive than a private family foundation. You receive an immediate tax deduction when you donate cash, stock or other assets. The minimum for a donor advised fund is \$5,000.

Philanthropy is important and through CCF it's easy!

Five Reasons People Establish a Donor Advised Fund at Coastal Community Foundation

One

Foundation staff members provide highly **personalized services** tailored to each individual's charitable interests.

Two

You have the **flexibility to invest** in causes you care about most over the years. You can recommend grants to any qualified nonprofits. CCF handles all the administrative details.

Three

Your charitable fund can be in your name, in memory of someone or a general name you choose.

Four

Donor advisors can name **successor advisors** to their charitable fund.

Five

We are a **local organization**, serving the community for over three decades.
